

Bob Fleshner

Professional Profile

OVERVIEW

Bob Fleshner is the founder and president of Epicoach, LLC, a firm that specializes in **Executive, Professional and Individual Coaching**. Services include coaching and consulting.

As a former CEO with more than 30 years of experience, Bob is an excellent role model for professionals in startup and leadership positions, since he relates to the challenges that executives and their teams regularly face. In addition to his work as an entrepreneur, Bob's background as an attorney brings

analytic discipline and a focus on results. His accreditations include Leadership Coaching for Organizational Performance from American University and the District of Columbia Bar. Additionally, Bob is an International Coach Federation Professional Certified Coach, and is certified to administer the DiSC assessment tool and the Strong Interest Inventory.

Bob has honed his skills in multiple disciplines, including management consulting, business development, law, healthcare, marketing, strategic planning, and fitness training. He also draws on his experience as a personal trainer and marathon runner to motivate and inspire his clients.
